

# Rotaract District 9470 Meeting Questionnaire

This questionnaire is designed to give you the opportunity to provide honest feedback about what you think about your Rotaract Club. This is entirely optional, and you do not need to complete every question if you don't want to. But the more information you provide, the more it can help us build a profile about what people like and dislike about your club. This information will be collated and presented to your club president; the information in the first few sections is purely for my benefit to see if there are correlations that may help us attract new members of specific ages and to gauge which days suit people best for various functions / events / meetings.
